

ALLERGY PARTNERS of Central Indiana

Steven L. Wise, M.D.

Tolly E. Epstein, M.D.

Leanna-Marie Gershuni, M.D.

Dear Parent or Guardian of school-aged patients:

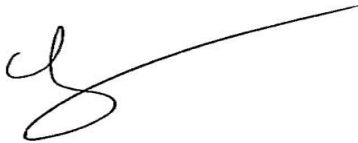

Given the large volume of school forms requested from July through September, we ask that you please allow at least two-weeks for this type of request to be fulfilled. If the patient has not been seen in the previous three calendar months by one of our providers, there may be a charge associated with these requests. When scheduling appointments, please take this into consideration, if you will be needing a school letter.

As always, you and your family's health are our number one priority here at Allergy Partners and we look forward to serving you!

Sincerely,

Steven L Wise, MD

Tolly E Epstein, MD

Leanna-Marie Gershuni, MD
